YATES, M. E. & FISHER, V. L. abstract: Effects of models on children's spontaneous drawing 14:220

ASH, M. J. & COONEY, J. B. abstract: The role of cognition and reinforcement in the production of novel responses 14:269

ASSESSMENT

BULL, K. S. & DAVIS, G. A. Evaluating creative potential using the statement of past activities 14:249-257

DOMINO, G. Chinese tangrams as a technique to assess creativity 14:204-213

TORRANCE, E. P. & HALL, L. K.
Assessing the further reaches of
creative potential 14:1-19

TREFFINGER, D. J. The progress and
peril of identifying creative talent
among gifted and talented students 14:20-34

B

BACHTOLD, L. M. Psychoticism
and creativity 14:242-248

BALL, O. E. & TORRANCE, E. P.
Effectiveness of new materials developed
for training the streamlined scoring of
the TTCT, figural A and B forms 14:199-203

& TREFFINGER, D. J. & TORRANCE, E. P.
Guidelines for training creativity
test administrators and scorers..... 14:47-55

BIBLIOGRAPHIES
STIEVATER, S. M. Bibliography of
recent books on creativity and
problem solving:
supplement XVI..... 14:141-143
supplement XVII 14:282-284
Bibliography of recent doctoral
dissertations on creativity and
problem solving:
supplement XVI..... 14:68-70
supplement XVII 14:144-146
supplement XVIII..... 14:285-286

BIONDI, A. M. About the small cage habit..... 14:75-76

& KOUBIK, N. A. Ask...and you shall conceive! 14:235-241

BIRTH ORDER
COMEAU, H. abstract: The relationship
between sex, birth order and creativity 14:71

BOLEN, L. M. & YARDLEY, C. R. abstract:
Relationship of locus of control to figural
creativity in second-grade students 14:276-277

BOOK REVIEWS
HOFSTADTER, D. R. *Godel, Escher,*
Bach: an eternal golden braid.
Reviewed by D. Sarnoff..... 14:280-281

ROTHENBURG, A. *The emerging goddess.* Reviewed by J. C. Gowan 14:278-279
